"Me? I'm O.K. But you should see the other kid! The dumb guy thought he knew all about bike brakes. Tried to tell me those old-fashioned handlebar brakes work better'n my Bendix brakes. What a creep! Anybody knows Bendix Automatics start faster, shift easier, stop smoother. Guess that's why more U.S.-built bikes are sold with Bendix Automatics than 3-speed brakes. Like to have 'em on your bike? Many students haven't developed good studying habits. I have found one to be very useful. It consists of eight easy and profitable steps.

1. Be sure you understand the assignment; what to do, what you must know, and then write it down.
2. Make use of study time in school: study halls, library periods, and all other free time.
3. Set a certain time of the day to study.
4. Set a certain place for study. Be sure to remove all distractions: radio, television, and other people talking to you.
5. Have everything handy when you sit down to study: pencils, paper, reference books.
6. Start with the hardest subjects first, reading carefully the entire lesson, and then go back and reread the main topics.
7. Review all your notes and previous day's work that might help you understand the lesson better.
8. Concentrate on your lesson, so that the fresh knowledge will last from day to day.

These study habits will not only help you now, but also when you are in high school and college, and the subjects you are studying become more difficult.

SECOND PRIZE — $3.00

REPORTER

SUSAN STATTS

King of Prussia, Pa.

Have you ever been to the zoo? Recently we went, and the animal that impressed me most was the Giraffe. When we went home I decided to look into the history of the Giraffe. This is what I found out.

The Giraffe is taller than any other living animal. It may grow to be sixteen feet tall or taller. Its body is about the size of a horse's body. Its front legs may be nine or ten feet long. Its neck may be six or seven feet long. The Giraffe has a long neck. It can eat the leaves that are on the high branches of the trees that grow in the country where it lives.

Giraffes are found only in Central and South Africa, mainly in desert regions.

The Giraffe's neck is so long that the animal must spread its legs far apart in order to get a drink of water.

The Arabs who hunt the Giraffe use its flesh for food and its skin for leather.

I think the Giraffe is one of the most interesting animals I've ever seen.

THIRD PRIZE — $2.00

Nancy has sent us a letter about the Guide Dog she trained. We think you might like to here about it.

Do you know what a Guide Dog is? Well, I found out when I applied to raise a Guide Dog puppy.

A Guide Dog can mean the hope and happiness for someone who lives in darkness, someone who is blind.

Guide Dogs are usually German Shepherds, Golden Retrievers or Black Labrador Retrievers.

Guide Dog puppies are given to 4-H club members to raise and train for one year. The puppies are also taught love, companionship and devotion. During this one year period my puppy "Fish" and I have been meeting with his two sisters "Folla" and "Francie" to have training classes.

At the end of the year the dogs go back to the school where they will be given further training before passing tests to become Guide Dogs.

The San Rafael Guide Dogs for the Blind of California, raise and train dogs in this manner. I think this is a very worthwhile way to spend your spare time.

Archie: "What do you call someone who can't keep his balance on the bus?"
Jughead: "A Laplander."

Miss Grundy: "What is an autobiography?"
Moose: "Er—the life story of an automobile."

Jughead sat in the back of the room sniffing and rubbing his nose. Finally Professor Flutesnoot walked over to him and said. "Jughead, do you have a handkerchief?"

"Yes," answered Jughead, "but my mother said I shouldn't lend it to anyone."

MY SECRET NEW DYNAFLEX METHOD

CAN BUILD YOU A MAGNIFICENT NEW HE-MAN-MUSCLED BODY IN JUST TEN MINUTES A DAY—with absolutely NO weights—NO bar-bells—NO EXERCISE AT ALL!

Yes! If the girls LAUGH at you now when you take off your shirt—they'll be breaking down the doors to get dates with you—once they've seen the rugged DYNAFLEX BODY I can give you! I'll build you a tough brutal massive body—shoulders clad with solid inches of he-man BRAWN. I'll give you bulging biceps, trip-hammer fists, power-packed legs, and a chest that will have you popping the buttons off your shirt with pride! (—says MIKE MARVEL, "Builder of Champion Bodies")

Mike Marvel

ARE YOU WEAK, ALWAYS TIRED, LACK PEP?

Whether you're thin and scrawny, or sagging with unsightly fat—my secret DYNAFLEX method will cram new, vigorous and red-blooded vitality into your puny, exhausted body. Once DYNAFLEX makes you a two-fisted dynamo of manly energy, rippling with power, glowing with magnetic sex-appeal—you'll be bursting with get-up-and-go. Man, you'll be really ALIVE—tingling with zest and zip-roaring energy—for the first time in years!

PROOF!

"I tried two other systems before my buddy told me about DYNAFLEX. It really works—and how! I've put two inches of solid muscle on my biceps, three inches on my chest. It's like magic!"
L. C., New York City

"I never thought you could build terrific muscles without exercises or weights. Started DYNAFLEX two weeks ago, and am building a great physique."
E. G., Detroit, Mich.

"DYNAFLEX is the best yet. Only three weeks, and I have more dates than I can handle! I am telling all my pals about DYNAFLEX."
F. S., Chicago, Ill.

ARE YOU ASHAMED OF YOUR BODY NOW?

Pal—do YOURSELF a favor! Take a good long look in a mirror. Do you see a puny, starved body—scrawny arms—bony shoulders—a flabby stomach and skinny legs? Do girls laugh and fellows grin when you take off your shirt?

BELIEVE IT OR NOT—I can add solid pounds of rippling, steely he-man MEAT to your build. I can take those skeleton arms and PACK EVERY INCH with explosive virile MAN-MUSCLE. I can take that caved-in chest and build on six rugged inches of strong sleek MAN-SIZED BRAWN. I can clothe your skinny frame with GIANT RIPPLING DYNAFLEX MUSCLES that will have the girls gasping with awe and admiration! And with NO tiring exercise, NO high-priced bar-bells or gym equipment!

Go to your problem a body sagging with soft rolls of unhealthy, unhandsome FAT? Puny muscles—sagging stomach—bloated face—arms heavy with layers of BLUBBER? Are you ASHAMED to go to the beach and let them see your "FAT-MAN PHYSIQUE"?

If so, wake up fella! THIS IS IT! I will peel off that fat and put a lean virile DYNAFLEX BODY, armored with a sheath of hard tough handsome muscle, I can build you into a healthy, streamlined HERCULES—bursting with dynamic manly strength. I'll give you a taut rock-hard midsection—keen muscled like coiled steel springs. I can pack solid DYNAMITE into your fists and give you a rugged handsome build brim-full of the magnetic SUPER-BODY SEX-APPEAL girls are hungry for. And with NO starvation diets—NO fatiguing calisthenics—NO expensive health-foods!

HOW DYNAFLEX BUILDS BEAUTIFUL BODIES

DYNAFLEX is the modern miracle of body-building! It takes no tiresome exercises, "track" drills, no pulling on weights or bar-bells. DYNAFLEX is the amazing discovery of a West German Doctor whose research into the Science of Strength found a thrilling new way to build GIANT BRAWNY MUSCLES in ten minutes a day. With DYNAFLEX you "flex" each muscle—one—in a certain way—that is more effective than if you exercised that muscle 20, 30, even 100 times the old-fashioned way. With DYNAFLEX you get bigger results in ten minutes than after hours of grunting and straining with weights.

DYNAFLEX causes each muscle in your body to bring out its round, steely fullness and natural symmetry. DYNAFLEX works that muscle with glowing vibrant new strength and energy—FAST. In ten minutes a day I can cover your bony frame with healthy rippling muscle—give you a deep, powerful chest—solid shoulders and iron wrists—tough, satin sinewiness—and trim, steel-spring legs—simply thru "DYNAFLEXING" each muscle once a day!

There's nothing wrong with the bar-bell and weight-lifting method . . . but why bother? Why waste time and money, why sweat and strain your way to a streamlined symmetrical SAMSON-STRONG BODY—when you can do it better—bigger—faster—easier with the DYNAFLEX SECRET?

STRONG-MAN SEX-APPEAL ATTRACTS GIRLS

Be honest. Down deep you KNOW you envy the boy with the virile, magnificent build. Every man admires and secretly envies a broad brawny back, a solid man-muscled chest, handsome he-man shoulders, arms rippling with tough, steely sinews, a narrow waist, slim hips and springy, power-packed legs. Girls go for a fellow with TWO-FISTED BIG MUSCLE SEX-APPEAL . . . and they only laugh at skinny guys or "fatsos"!

Let me give you a gloating new body, brimming over with energy and irresistible lashes of solid muscle on your chest—he-man appeal. I can build those lashes of beef and brawn on your shoulders. I will mold you a handsome super-body of terrific strength, give you a crushing grip, legs ornamented with steel springs, and taut rock-solid punch-proof midsection. Pack your body with energy and thrilling stamina that will bring admiring looks at your feet.

GIVE ME TEN MINUTES A DAY —THAT'S ALL!

After DYNAFLEX, you'll be able to pull up your sleeves and take off your shirt, and for the first time in your life, you'll be PROUD of your manly build. Yes, pal, say goodbye to your weak, flabby frame—get ready for adventure and romance with a solid physique that glows and vibrates with virile he-man appeal. You'll be really proud to have people see your MAGNIFICENT HE-MAN-MUSCLES at the beach or gym. And, when the fellows stare with envy and jealousy—when the girls crowd around to savour your iron biceps or brush your bulging brawny chest—when they ask in amazement HOW you did it—tell them about the Magic Secret of DYNAFLEX!
